

Sadiq School started the academic year 2025-2026 with over 50% increase in registration.

Our students scored among the top tiers in the MAP standardized test and are engaging in many enrichment activities

Quality education for every child at affordable tuition.

No child is turned away due to financial restraints.

Students entered the school on Sept. 3, 2025 walking under Holy Quran to start the academic year 2025-26.

Sadiq School students performed at top tier in MAP, a standardized test in math and language art. Big Congratulations to our students and dedicated staff.

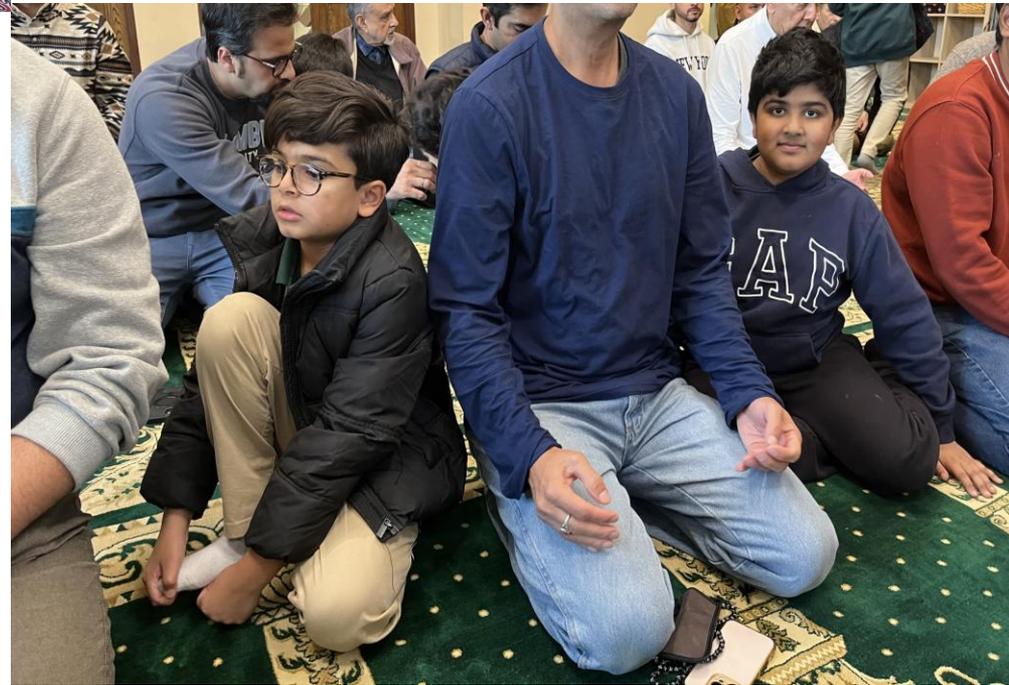

STEAM Day was a great success. Each grade took on a marble run challenge using recycled materials and explored exciting science stations: from launching catapult to studying bugs under microscopes.

Weekly Thursday praying and lecture by Maulana Rizwan Rizvi

The daylight saving time gave Sadiq School grades 3-5 students the opportunity to attend Jumma Salat.

ECE Fall Festival was a fun-filled day with apple bobbing games, ring toss, tower building, and delicious treats—made extra special by our wonderful parent volunteers.

In October our students took a Field Trip in Princeton, NJ. Students enjoyed a hands-on farming workshop, learned about agriculture in New Jersey, and had a blast picking apples and choosing own pumpkins
